Part I: Lessons Learned

- Objectives and General Introduction: Clara Ruvituso (10 min)
- Speakers: Gloria Chicote, Barbara Göbel and Susanne Klengel (20 min)
- Discussion (all)
- Conclusion: Clara Ruvituso (5 min)

Moderation: Tilmann Heil

The main objective of Part I "Lessons learned" is to continue the conceptual discussion of “medialities of conviviality,” reflecting the main lessons and articulations of the first stage of scientific activities in the research area.

What dimensions have we explored during the first stage and what lessons have emerged from these exchanges? How have the different contributions been interconnected?

Please see: 1) Activity Report RA Medialities of Conviviality with annexes and 2) the document “Principales temáticas y articulaciones” as a basis for the discussion.

Wednesday, 10 March 2021
